

Bilingual/Immersion Education specialisation course map

[Back to Postgraduate specialisation pathways](#)

For students commencing in 2010

How complete and relevant is this course information?

The following course information is provided in addition to the official [Monash Handbook entry for this course](#) and is subject to change.

Students who commenced their studies prior to 2010 should check their course requirements in the [Archived handbook](#) for the relevant year, or contact their Course/Pathway Adviser.

This pathway, **available only to cohorts**, is designed for teachers and school administrators involved in implementing a content-based immersion program in their school. Students will gain a better understanding of the process of second language teaching and learning in such a context. Specialist studies include: theory and principles of bilingual/immersion education; establishing, maintaining and evaluating an immersion program; and the classroom and bilingual/immersion teacher.
