For students commencing in 2010

How complete and relevant is this course information?

The following course information is provided in addition to the official [Monash Handbook entry for this course](#) and is subject to change.

Students who commenced their studies prior to 2010 should check their course requirements in the [Archived handbook](#) for the relevant year, or contact their Course/Pathway Adviser.

This innovative pathway is designed to meet the needs of busy music educators at all levels through an introduction to serious research-based study of current developments in music education. It provides a unique opportunity for music teachers and professionals to upgrade their qualifications. There is also the opportunity for a summer field trip to Europe as part of the course.
